

Visa and Immigration Services

Sterling, our Visa and Immigration partner, provides full coordination of global immigration processes, including management of initial work authorizations, consular visa applications, residence authorizations, registrations, renewal of immigration documents and processing of departure requirements. They also offer management of supporting services such as translations, legalizations, Apostilles and notarization of supporting documents.

What you can expect from Sterling's Visa & Immigration service:

- **Expert teams:** Their teams are passionate professionals who manage every immigration case expertly, in a timely and proactive manner. You can rest assured that your relocating employees will be in knowledgeable and trust-worthy hands
- **Tech-driven processes:** Their teams are supported by a centralized case management system that pre-empts any oversight through automated workflows which flag upcoming tasks and critical milestones such as visa and passport renewals
- **Access to easy-to-use technology:** Through their web-portal you will have 24/7 access to status updates, management reporting, survey results and more
- **Added-value:** They don't do things 'on the clock'. If you need the help of an immigration specialist, they will be there to answer your questions and provide guidance. They also run training sessions, provide access to industry webinars and distribute their weekly 'Immigration Newsletter'

For more information about Visa and Immigration service, or any other services including **Assignment Management, Policy Consultation** and **Moving Services**, contact us and we will connect you with a team member for further assistance.
